## Our Location

A tiny place with a population of around 1500, located along coastal Deogad taluka of Konkan valley in Maharashtra state.

Besides scenic beauty, Deogad is known for the world-best quality Alphanso mangos.

# What's our story ?

This is humble story of few ordinary folks, trying to implement the **Right to Education** granted to our children by our democracy (*which has still remained as distant dream for the poor masses*).

We are trying to bridge the gap of Quality Education, to our under- privileged rural kids.

We sincerely appeal all **Individuals, Corporate Houses & Charity Organizations** to join us and strengthen our hands, by sharing our idea of the

# What was the need ?

We had a **Century-old primary school** our village. But that's all !

For several decades, our village kids were forced to take a **daily up & down walk of nearly 10-12 KMs to a neighboring village**, to fulfill their noble ambition of receiving **high school education**.

Precisely for this reason, we came together, to pursue the noble aim of making our **Baparde Village self-sufficient, up to the High-school education level**.

Responding to 2012 appeal from the then Govt. of Maharashtra , we first tried the possibility of forming a Govt.-Aided school. Despite of rigorous follow-up for 5 Yrs., we did not receive any response. On the contrary, this GR was later withdrawn in 2017, and we were left with no option, but to close down our dream project (since the Govt. abolished the idea of funding any new schools). Instead, we decided to continue funding on our own, to **Provide FREE EDUCATION** to our under- privileged village kids up to **SSC & HSC levels**.

# Our School is run by Villagers.

To begin with, one Ghadi-gaokar family gifted us prime land piece of 2 acres.

We ourselves **contributed Rs 40 L, to construct G+1 building of 10,000 Sq. Ft area.**

With such humble beginning, we have now a full-fledged high-school with 12 rooms, Assembly Hall, Labs, Computers, Office, Play-ground etc.

Besides above capital expenses, we have been incurring **annually Rs 15 L, for meeting the Admin. Expenses.** We do not receive any aid/ grant from any government schemes. We have to meet these expenses either from our own pockets, or to depend on kind-hearted doners like you.

If you wish to **participate** in our noble cause, **kindly support us.** Your contribution is invaluable to us, so long as you share our idea of the **Joy of Giving !**

# And ..... the sweet results almost 100 % success, last 9 yrs.

- In March 2014, our 1<sup>st</sup> batch appeared for SSC Exam.
- Since then, all these 9 years, almost 100 % students pass the final Board SSC exam - all securing I & II Classes, the Toppers securing 90% to 94%
- And this is happening in a tiny village, where there are no coaching classes. All efforts by our dedicated teachers and staff only.

*Isn't it GREAT?  
Indeed - we are proud  
of our achievements !*

# Our Supporters

Besides our own village members and doners, we have received financial backing from kind-hearted people & organizations. Few of such imminent supporters are -

1. Dr. Sudha Murty : Infosys Foundation, Bangalore.	A) Donated <b>Rs. 10 L</b> – for the completion of our School Building. B) Further <b>Rs. 30 L</b> donation assured for building Infosys Foundation Library, in our proposed second building.
2. Indo-German Training Centre. Mumbai.	Regularly adopting our Students
3. Fuchs India Ltd. – Mumbai	Donated <b>Rs. 1.4 L</b> (2019) & <b>Rs. 1.56 L</b> (2020)
4. Dr. Suresh Joshi Jaslok Hospital, Mumbai	Donated <b>Rs. 5 L</b> – for our proposed Sports Complex
5. Dr. Shreerang Sanglikar Nanavati Hospital, Mumbai.	Donated <b>Rs. 50,000</b> (by way of 150 Chairs in our Hall)

Indo-German Training Centre | Mumbai

### To Whomsoever It May Concern

Indo-German Training Centre, is the Management Training initiative of Indo-German Chamber of Commerce. We have been associated with Dr. Suhas Rane, as he has been a visiting faculty at IGTC teaching our courses in Supply Chain Management and Logistics for more than a decade.

I know Dr. Suhas Rane to be extremely meticulous and very particular in whatever he does. He takes conscientiousness and discipline to very high level, when it comes to teaching and his association with the students. We have always deeply admired these qualities of him. While we have been working with him closely, we came to know that he has a very strong social cause which he supports. He has set up a school with his own fund at his rural village, and we know that when Dr. Rane does something which means he does it with full heart and hard work. This is really a noble cause.

Ever since we came to know about this initiative, we also also wished to support him. We have been encouraging every graduating students and our alumni to contribute to his school by adopting higher secondary school children. Also we actively spread the word on our graduation day among our German Fraternity and the other guests. We gift them a sponsorship voucher to these higher secondary school children, instead of honouring the dignitaries with other gifts. This step is very well appreciated by all.

We applaud Dr. Rane for doing excellent social work. We hope that every child who studies in his school achieves great heights and someday they can also visit and study at IGTC.

Congratulations sir, we respect and admire you a lot, you are very humble and you influence us to also remain humble. Thank you very much for your continuous support to IGTC.
